The image displays a color calibration chart with two rows of color targets. The top row, labeled '50% TARGETS', contains five targets: a grayscale ramp, a black target, a yellow target, a magenta target, and a cyan target. The bottom row, labeled '100% TARGETS', contains four targets: a black target, a yellow target, a magenta target, and a cyan target. Each target is a square with its corresponding color name printed to its right.

Please review all artwork for design, spelling, and all other content based edits. Please SIGN in appropriate box to the right (signature will be accepted as full approval to proceed with production of any open orders.). Labels larger than the available area on this proof may not be to scale. Color may shift when laminated or coated during the finishing process. Please request finished proofs if final color is critical.
